

ABDIRAHMAN ABDIKADIR

(252) 619185682 | Abdirahman.developer@gmail.com | Mogadishu, Somalia

OBJECTIVE

Passionate and detail-oriented web developer with over 5 years of hands-on experience in designing, developing, and deploying high-performance websites and applications. Seeking to leverage my expertise in the mern stack (mongodb, express.js, react, node.js) and a proven track record of successful project delivery to build innovative and user-centric digital solutions

EDUCATION

Bachelor of Computer Science Jamhuuriy University | Mogadishu, Somalia Expected 2026

EXPERIENCE

FREELANCE WEB DEVELOPER | MOGADISHU, SOMALIA FEB 2019 – PRESENT

- Delivered over 30 custom websites and web applications for a diverse clientele of local businesses, consistently meeting project deadlines and specifications.
- Translated complex client requirements into functional, scalable, and responsive full-stack solutions using modern technologies.
- Focused on performance optimization and cross-browser compatibility to ensure a superior user experience and improved client satisfaction.

COMMUNICATION

Delivered project updates and explained technical details to clients clearly. Translated feedback into functional improvements.

LEADERSHIP

Led the complete development of projects from concept to deployment. Guided peers on best coding practices.
